## Young Naturalist

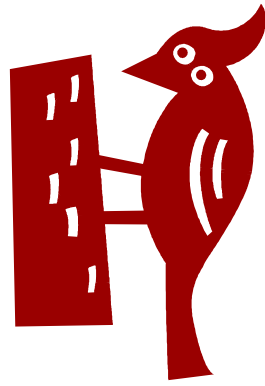

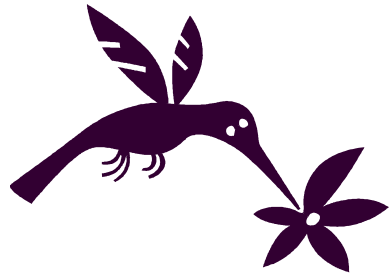

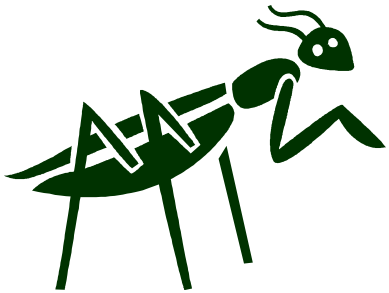

*Programs presents:*

### Who lives at the BGA?

*Saturday, June 7*

*10:00 am —12:00 pm*

*(Meet at the Visitor Center)*

***Description:** We will explore the Gardens for living things: small mammals, birds, insects and frogs. What are the signs that indicate who lives in the Gardens? Participants will create a journal to record what they find as they explore. Cost is \$7 per child. For more information or to register, call 252-5190, visit our website at [www.ashevillebotanicalgardens.org](http://www.ashevillebotanicalgardens.org), or leave your name and number with a gift shop volunteer. Ages 5-11. This program will be led by Kit Schmeiser, formerly of the Monterey Bay Aquarium, and Suzanne Wodek, BGA youth program leader.*
